

With each Creative Lab group, we will work on studio practices such as workspace organization and maintenance of art materials. We will also learn about “Art Hacks”; rules & shortcuts artists live by! We will have a blast exploring a variety of materials and techniques while we make real world connections to infuse our art making with more meaning and intention. And for those artists returning for another year, we will have a whole new batch of fun projects. Hope to see you there!

Group A: Crafters Grades: K, 1 & 2 Day: Mondays Time: 2:50-3:50pm	Group B: Artisans Grades: 3, 4 & 5 Day: Tuesdays Time: 3:10-4:25pm	Group C: Creators Grades: 6, 7 & 8 Day: Thursdays Time: 3:20-4:50pm
<u>Our focus for Group A:</u> What kind of art do different artists create? Why do artists make the choices they make?	<u>Our focus for Group B:</u> What can I communicate through my art? How is art used to express a mood or theme?	<u>Our focus for Group C:</u> How is art and creativity used in the real world? What kind of careers are possible in the arts?
